

# *Brewing at GRSC*

## Join us May 13th for an afternoon of home-brewing

For anyone who has ever thought to try brewing, here is your opportunity! We will be turning the clubhouse into a microbrewery as we create our own beer.

It takes beer to make beer so bring some to sample and share while we brew. Please consider bringing an appetizer to share too. Brewers are not powered on beer alone!

(Dress for the outdoors. In the event of rain, brewing will be postponed)

**Saturday 5/13, 3pm @ the  
GRSC clubhouse.**

**Followed by the Launch  
Party at 7pm.  
BYOB and Socks!**
