

GRSC Cruising Rally – Pentwater Fireworks

When: July 1-4, 2018

Overview:

We'll plan to leave Grand Haven in the morning on July 1 and head towards Pentwater for their fireworks show on the evening of July 3.

Ideally the plan will be to make an overnight anchorage in Whitehall and arrive in Pentwater mid-day on July 2. But since a sailor with no agenda always has good weather we'll determine the itinerary North on June 30 based on weather. We'll coordinate a skipper's meeting and communicate to all the final itinerary on June 30.

The Pentwater fireworks are launched off the North break wall over Mears State Park beach. Depending on weather it is possible to anchor off the beach to watch the show otherwise we'll need to walk from town to the beach.

On July 4 we'll break up the fleet and boats can find their way home via whatever route they choose. (Free Spirit will be looking for a weather window to head farther North for some family vacation time.)

If you desire to travel on your own schedule or come by land yacht and want to join the fleet in Pentwater please let me know so you can be included in communications.

Tentative Itinerary:

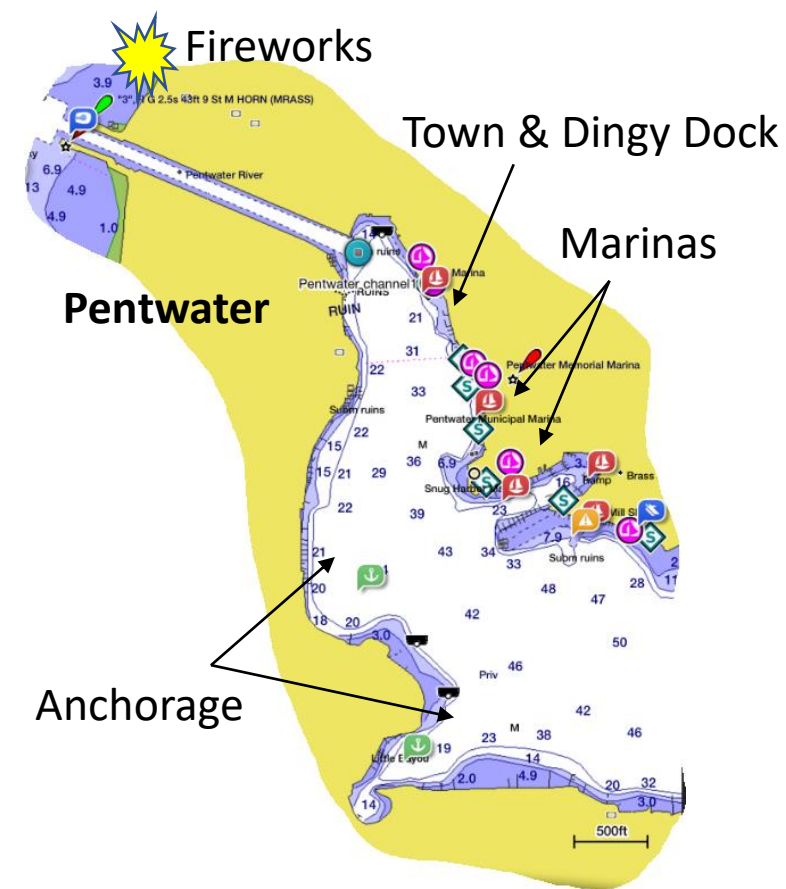

July 1 – Grand Haven to Whitehall anchorage, sunset hor d'oeuvres and social on boats

July 2 – Whitehall to Pentwater, restaurant dinner and ice cream

July 3 – Explore Pentwater, fireworks at dusk

July 4 – Return home or continue on.....

Register by June 15: Contact Chad Aerts (phone, email, text) chadaerts@yahoo.com 616.402.2704

We'll plan to anchor close to town on West side of Pentwater Lake

Prefer a marina then make reservations:

Pentwater Municipal Marina: 231-869-7028

Snug Harbor Marina: 231-869-7001
