

Educational opportunity!

Everything you want to
know about SAILS.

MARK YOUR CALENDAR FOR THURSDAY, MARCH 14 at 7:00 pm at GRSC

Jimmy Frisinger, Sailmaker and Owner of **Bluffton Bay Sails** will be presenting answers to all your questions regarding anything about Sails. He will be available to talk about considerations for when to get new sails, preserving and repair of existing sails, sail inventories, & sail trim. Anything and everything you would like to bring to the conversation with Jimmy is encouraged. This will be an opportunity to learn from his expertise in sailing, and sail making for both racing and cruising sails.

If you have specific questions you would like addressed, please send them by March 11 to Linda at: Lvanport22@gmail.com so Jimmy can be informed and prepared in advance of what you are seeking.
